**Thank You** for placing your confidence in the Real Estate Agents and Brokers Errors & Omissions Insurance program formed for the sole purpose of providing E & O insurance for Real Estate professionals.

In addition to the excellent insurance protection provided we have implemented "The Telephone Pre-Claim Hotline" a facility for the exclusive use of our policyholders, providing the opportunity to speak with experienced claim counsel about situations which are not yet claims. The hotline is designed to prevent a claim from being made and/or to limit the insured's exposure once he or she is aware of facts or circumstances that reasonably be expected to lead to a claim.

This service is available for the exclusive use of the Realtors Professional Liability Insurance policyholders and is supported by the Law firm of Wilson, Elser, Moskowitz, Edelman & Dicker, LLP.

Telephone access is available between the hours of 8:30 a.m. and 5:00 p.m. Pacific time each weekday. Depending on where the call originates, it will be handled by one of five designated regional offices of Wilson, Elser, Moskowitz, Edelman & Dicker, LLP of Chicago, Dallas, Miami, New York or Los Angeles.

Additional information regarding claims handling and reporting is provided on the back cover of your insurance policy.

We appreciate the opportunity to serve you.
