Management Website Exclusively for
Great American Policyholders*

March 30, 2016 – The Landy Agency, in conjunction with the law firm of Wilson Elser Moskowitz Edelman & Dicker LLP, now makes available an exclusive Accountants' Risk Management website for policy holders. The website will offer sample engagement and other professional letters, free webinars, including for CE credit and insurance underwriting discounts, and other risk management information to help our policyholders avoid the possibility of a malpractice lawsuit. This website expands the risk management services of Landy's free & confidential Legal Hotline. The website can be accessed via the Accountants and Tax Preparers & Bookkeepers page on www.landy.com - or by typing the following URL into your browser <https://landy.co/cgi-bin/loginwe.cgi>
