

Statement from the Landy Insurance Agency on COVID-19

*During these uncertain times, businesses of all types are adapting to protect employees, clients and the general public. We are taking precautions to keep our staff and employees safe, including the support of work-at-home opportunities.*

*As this situation rapidly evolves, please note we will maintain business activity to the best of our ability, including website functions for applying/renewing coverage, obtaining forms or making a notification of a claim. Staff will respond to emails and phone calls as promptly as possible. State insurance commissioners and insurance carriers will likely offer grace periods or other considerations to insureds who are impacted by the virus and cannot make payments, renew coverage or report a claim in a timely manner. We will attempt to update you on any developments as they occur and are relevant to our operations and your insurance.*

*We thank you for your business and wish you good health. Please let us know if you have any questions, or if we can assist in any manner.*

*Respectfully,*

*Betsy A. Magnuson, President*
