**Press Release for Immediate Distribution**

The Landy Agency of Needham, Massachusetts, announces a new Crime program with Great American Insurance Group. The program offers low minimum premiums and a focus on small to medium-sized businesses. Coverage is admitted in all states and is provided by an “A+” (Superior) A.M. Best rated carrier.

When a fraudulent act causes your firm to sustain a financial loss, we have a coverage that you can rely on. Employee fraud costs companies a surprisingly large percentage of their gross revenues. With some schemes spanning years, the results can be devastating to a company’s operations and its financial results.

Coverage includes sublimits for Employee Dishonest, Forgery or Alteration, Computer Fraud, Money & Securities, Loss of Client’s Property from Employee Dishonesty and Funds Transfer Fraud. Coverage for Social Engineering is included automatically at \$100,000, with higher limits available. A wide variety of business classes with three or more employees or independent contractors are eligible for this program. A 3-year policy option is available.
